WELCOME

Hi! I'm Evan, the artist behind Fox & Crow. The goal of my work is to make people smile, activate imaginations and help spread love. I create original art, prints, greeting cards, enamel pins and patches inspired by animals, children's books, nature, science and imagination!

Fox & Crow first started in a little studio apartment in Brooklyn, NY in 2013. At that time I was teaching elementary and middle school art full time. I loved teaching dearly and thought Fox & Crow could be a fun little side gig for the weekends and summers. What I didn't fully realize at the time was that I was planting the seed of my deepest dream- to be a full time artist! As Fox & Crow slowly grew I found myself staying up later and later on school nights, joyfully working on product lines and custom projects for clients. If you know any teachers you probably know that a solid 8 hours of sleep is crucial to the job. I had to decide to either pursue Fox & Crow as a full-time job or shrink it down to something more manageable so I could continue teaching. The little seeds I had planted bloomed in my heart and I knew it was time to really give this artist thing my all! It was beyond fortuitous that my husband was finding himself on a similar path at that same moment. So in the summer of 2016 we picked up and moved to the very cool city of St. Petersburg, FL to pursue our dreams. I do mss teaching but I am loving this experience of creating art every day and working hard to make my dreams a reality.

Evan Pullman Neidich
